Scholarship

A submitted application and interview do not guarantee a scholarship. Once awarded, scholarships are issued with proof of enrollment to an institution of higher learning.

The judging committee will consist of two Parker County 4-H Parent Leader Association officers and one outside individual selected with advice from a Parker County Extension Agent and/or the Parker County 4-H Administrative Assistant.

The goal of the Parker County Leaders Association is to provide as many scholarships as possible to eligible seniors; however, depending on the number of seniors and the balance of the account, this goal may not always be met. The committee may not award all the money if a large sum has been accumulated. Not all applicants will receive a scholarship. Awards will be based on eligibility, interview and most importantly funding raised for the award year.
